The proceeds from *An Evening Under the Stars* are used to support the nonprofit Frosty Drew Nature Center & Observatory's mission of delivering environmental education to people of all ages, with a primary focus on marine aquatic habitats and the night sky.

Tickets are \$50.00 per person. Please register by sending the form below, along with your check, to P. O. Box 160, Charlestown, RI 02813. Registration is also available online at <http://frostydrew.org/evening>.

The Observatory—with its 16-inch telescope and John G. Drew Sky Theater—is open to the public free of charge on Friday nights throughout the year, and on Friday and Saturday nights during the summer. It serves as a gateway to Charlestown's extraordinary dark sky—said to be the darkest between Boston and New York. The Nature Center offers educational programming to children through its Field Studies program and summertime Nature Weeks.

I would like to purchase \_\_\_\_\_ tickets at \$50 each to Frosty Drew's 2015 *An Evening Under the Stars*.       I cannot attend this year's fundraiser but would like to make a donation in the amount of \$\_\_\_\_\_.
